Registration

Please collect your registration pack when you check in at the hotel.

Airport transfers

Participants travelling by air will be transported from/to the airport according to the schedule below. Please note that we have tried to keep waiting times to a minimum while considering the transportation costs. When you arrive at the airport, please look for the driver who will carry a card with the PGR Secure and ECPGR logos on it. If the driver is not there when you arrive, please wait in the arrivals hall until the collection time.

Meals

Breakfast will be served at the hotels. Lunch will be served at Hotel Alka 7th–9th Sept. On Wednesday 7th, there will be an international food party at Hotel Alka in the evening (see more details below). The social dinner is on Thursday 8th at Virkštininku dvaras restaurant. Dinner is included as part of the excursion on Friday 9th at the Old Port restaurant in Nida. Please note that dinner is not included on Tuesday 6th as most participants are arriving late in the evening.

International food party

Many of you are already aware of the ‘international food party’ concept, but for those who are new to it, the idea is that each participant brings with them some food (and possibly some drink also) that is typical of their country. This is then laid out on tables and everyone circulates and tries the produce from the different countries. It is not only an educational experience in terms of national cultures and traditions (and of course national genetic resources), but also an opportunity for all participants to mix and get to know one another. Please do however take note of any import restrictions and rules on carrying goods on board flights!

Excursion

On Friday 9th there will be an excursion to the Curonian Spit, departing at 14:30 from Hotel Alka. Please bring outdoor clothing and comfortable shoes for walking.

The Curonian Spit (Lithuanian: Kuršių nerija, Russian: Куршская коса, German: Kurische Nehrung, Latvian: Kuršu kāpas) is a 98 km long, thin, curved sand-dune spit that separates the Curonian Lagoon from the Baltic Sea coast. Its southern portion lies within Kaliningrad Oblast, Russia and the northern part within southwestern Lithuania. It is a UNESCO World Heritage Site shared by the two countries.

The Curonian Spit National Park occupies all the land of the Spit and nearby strips of the coastal waters on both sides of the Spit. There are two strict nature reserves as well as forest seed stands and several landscape reserves established in the National Park.

For further information: www.visitneringa.com/en

Currency

The national currency is Lithuanian Litas and is the only accepted currency in official transactions. Most banks are open during workdays from 9:00–16:30 (some from 8:00–15:30) in Palanga centre, and from 8.00–16.30 (8.00–20.00 on Saturdays) at Palanga International Airport.

Internet

WiFi and cable internet connections are available free of charge in the hotel rooms. There are also several public places in Palanga with free of charge wireless internet connections available.

Emergency contacts

In case of any problems, please telephone a member of the local host team from the Nature Research Centre:
